**DAY 3** 20<sup>th</sup> October, 2024

**Programme Schedule**

**HIGHLIGHTS  
OF THE  
WORKSHOP**

**SIMULATION**

Refine your  
decision-making  
and enhance  
patient safety through  
realistic simulations

**POCUS**

Gastric, TTE, E-FAST  
Lung, IVC, DVT

**AIRWAY**

Videolaryngoscopy  
Supraglottic airway devices  
Intubation Fibrescope  
Lung Isolation devices  
Emergency Surgical Cricothyroidotomy  
USG of airway

**REGIONAL  
ANAESTHESIA**

State of art  
ultrasound focusing on  
“PLAN A” blocks

**WORKSHOP 1 - REGIONAL + SIMULATION**

**WORKSHOP 2 - POCUS + AIRWAY**

**TIMING: 09:00 am to 04:00 pm**

**LUNCH: 12:00 pm to 01:00 pm**

**EACH WORKSHOP ACCOMMODATES 60 DELEGATES**

**FIRST COME, FIRST SERVE BASIS  
SO HURRY UP & REGISTER FAST !!!!!**

## About CME

### Academic Programme

Eminent international and national faculties are participating in this programme and a wide variety of topics have been chosen for postgraduates. A tentative timeline has been included in this brochure. Registrants are expected to read the topics in advance to ensure active participation in the discussions.

### How to reach Manipal

Manipal is an educational hub situated 6 km from the famous temple town Udupi. Trains from Mumbai and New Delhi running to and fro to Mangalore and Kerala, touch Udupi railway station (situated 3 km from the KMC medical campus). Trains from Chennai stop at Mangalore located 65 km from Manipal. There are frequent buses from Mangalore to Manipal. Manipal is well connected by road to Bangalore, Mysore, Hubli, Belgaum and other major cities of neighbouring states. Flights are available from major cities to Mangalore International Airport.

Map location link:
