## Conference Objectives

This conference aims to identify and understand the research that has taken place on various spheres in 'Industry-Academia Partnership' and further probe on the same keeping in mind the relevance and established practices.

We invite Students, Ph.D scholars, academicians and researchers to present their original paper by identifying the unexplored areas and developing conceptual and empirical papers analysing the issues related to the theme of Driving Innovation & Inspiring Young Minds.

## About Manipal Academy of BFSI

With a unique industry-academia connect, Manipal Academy of BFSI empowers professionals to become productive from the first day. The superior pedagogy, employed by over 200 Industry experts which includes ex-bankers, insurance officials and soft skills specialist as faculty members, along with a sprawling of 600,000 sq.ft. campus, offers unparalleled experiential learning to the learners and equips them with domain-specific expertise. This helps the youngsters to see success in their jobs with ease and reap rich dividends in their career through recognitions, rewards and faster career progression.

The Academy of BFSI partners with over 45 leading national and international public and private sector organizations in the BFSI sector. The academy has trained over 65,000 learners and has established multiple partnerships in banking, finance and insurance industry.
