

### Poster Presentation Guidelines

- Orientation: Portrait
- Poster size/layout: **4 ft (height) x 3 ft (width)** (single poster)
- Font type: Arial
- Title of the study
- Name of all the authors (Name of the presenter has to be underlined)
- Affiliations of all the authors
- Poster content should include Introduction, Objectives, Methods, Results, Conclusions and References
- Font size can be modified by participants in a readable format.
- Media: Images/photos, graphs, and tables can be included in the poster.
- Kindly bring your **printed poster** along with you on the day of the conference.
- **E-posters will not be entertained**

### Oral Presentation Guidelines

- The oral presentation should be prepared & sent as a Microsoft PowerPoint (.ppt) using a 4:3 standard slide setting.
- The presentation should be for 8 minutes and 2 minutes for Q&A. (The time will be the same for the Expharm prize session)
- Font type: Arial
- In the first slide mention the title followed by names and affiliations of contributors.
- The number of slides should not be more than 10 (including references) and the presentation must be concluded within 6 minutes.
- The participant should be present at the venue during the allotted time; failure to do so will lead to disqualification (the venue and time slot will be intimated at the earliest).
- Send final PPT to email: [kmcparmacology2022@gmail.com](mailto:kmcparmacology2022@gmail.com) and name the file as : “Full Name\_Oral” . Mention the subject of the email as oral presentation.

For the Expharm prize paper name the file as “ Full name\_Oral\_expharm.

The last date for submission of the PPT is 25<sup>th</sup> Oct 2023.
