Founder President: Dr. S. Kantha

President: Dr. BS Prakash

Vice Presidents: Dr. Martin Lucas, Dr. Vidya CS

Secretary: Dr. NM Suresh

Joint Secretary: Dr. Padmalatha K

Treasurer: Dr. Meenakshi Parthasarathy

Executive Committee Members: Dr. Suresh M Managutti, Dr. Pushpa NB,
Dr. Rajapur Parashuram, Dr. Seema SR, Dr. Akhilandeshwari B,
Dr. Ashwini CA, Dr. Prathap J, Dr. Geetanjali BS, Dr. T Rajani

Editor: Dr. Prakash BS, **Co-editor:** Dr. Patil Shrish

About the Conference

- The theme is “Exploring the Grey Areas in Anatomy” to unearth clinically important but least concentrated areas in anatomy
- A series of hands-on workshops, keynote presentations, and scientific presentations are planned
- It provides a unique platform for academicians, researchers, postgraduate & undergraduate students, to present, interact, and network with peers.

About MAHE

- Manipal Academy of Higher Education (MAHE) is synonymous with excellence in higher education & has been accorded the status of Institute of Eminence (IoE) by HRD, Government of India
- Over 28,000 students from 57 different nations live, learn and play in the sprawling University town, Manipal
- It has nearly 2500 faculties and almost 10,000 other support and service staffs, who cater to the various professional institutions in health sciences, engineering, management, communication and humanities.

About Kasturba Medical College, Manipal

- Manipal, popularly known as an international university town, began with the establishment of Kasturba Medical College, Manipal, in 1953. It was the first self-financing medical college in the private sector in India
- Kasturba Medical College, Manipal, is a name synonymous with quality medical education and has consistently been ranked among the top ten medical colleges in the country and is recognized by the National Medical Council (NMC)

About Department of Anatomy

- World class Museum of Anatomy and Pathology
- Air-conditioned, and eco-friendly dissection hall with formalin monitoring facility
- Ultra-modern cadaver cold storage facility and Hi-tech Video recording unit
- Full pledged basic research anatomy lab with cell culture facility, plastination and 3D printing of anatomical structures
- Associated centers of Clinical anthropology and Molecular Neuroscience for high impact research
- Well-equipped Histology lab with the best quality histology slides
