PRECONFERENCE WORKSHOP

DAY 1: 29TH MAY 2026

MEET THE RESOURCE PERSONS

Dr. Joanna Baptist
Associate Professor
Dept. Of Oral Maxillofacial Surgery
MCODS Mangalore

Dr. Joanna Baptist, MDS (Oral and Maxillofacial Surgery) is an experienced Oral and Maxillofacial Surgeon and Associate Professor with over 15 years of surgical expertise. A meritorious academician, she was awarded the Best Outgoing MDS Student in Oral and Maxillofacial Surgery (2010, ABSMIDS) and is a Rajiv Gandhi University of Health Sciences rank holder. She is also a recipient of the MAHE Innovation Awards.

Dr. Baptist has contributed significantly to academic literature with 18 publications and co-authored chapters in Oral Medicine, Oral Diagnosis and Oral Radiology (Elsevier, 1st–3rd editions). Her innovative work includes two granted and two published Indian patents. Beyond clinical and academic excellence, she has been an invited resource person at ICHAMS 2016 (Royal College of Surgeons, Dublin) and serves as a peer reviewer for Scopus-indexed journals. She is an ATLS-certified provider, AHA-BLS and ACLS certified provider, and an AHA-BLS certified instructor, reflecting her commitment to advanced training and patient care.

Dr. Sanjan A
Associate Professor
Dept. Of Emergency Medicine
KMC Mangalore

Dr. Sanjan A is an Associate Professor in the Department of Emergency Medicine at Kasturba Medical College, Mangalore, with over 8 years of experience in emergency care, teaching, and research. He holds an MD and DNB in Emergency Medicine and is a Fellow of the Academic College of Emergency Experts in India (FACEE). His clinical and academic interests include point-of-care ultrasound (POCUS), trauma, toxicology, simulation-based training, and emergency medicine administration.

He is a certified instructor for American Heart Association-accredited BLS and ACLS courses and an ATLS Instructor, actively involved in training healthcare professionals.

Dr. Sanjan has multiple publications in national and international peer-reviewed journals and plays an active role in medical education, simulation-based learning, and curriculum development.

PRECONFERENCE WORKSHOP

DAY 1: 29TH MAY 2026

MEET THE RESOURCE PERSONS

Dr. Kashyapa
Senior Resident
Dept. Of Emergency Medicine
KMC Mangalore

Dr. Kashyapa is a dedicated Emergency Medicine professional who completed his MBBS from KMC Mangalore and DNB in Emergency Medicine from KMC Hospital, Mangalore. He has 1 year of experience as a Senior Resident in Emergency Medicine, with active involvement in both clinical care and academic training.

He is a certified provider in BLS, ACLS, ATLS, and PALS, and has been actively involved in conducting multiple BLS training programs for students and the general public. His areas of interest include emergency medicine teaching and simulation-based training, contributing to skill development and preparedness in acute care settings.

Dr. Naureen Naik
Senior Resident
Dept. Of Emergency Medicine
KMC Mangalore

Dr. Naureen Naik is an Emergency Medicine specialist with an MBBS and MD in Emergency Medicine, with 1 year of experience following her post-graduation. She is actively involved in providing comprehensive emergency care, with a focus on prompt decision-making and patient management in acute settings.

She is a certified provider in Advanced Cardiac Life Support (ACLS) and Pediatric Advanced Life Support (PALS), and serves as an ATLS Instructor, demonstrating her expertise in trauma care and life support training. She is also engaged in clinical teaching and skill-based training, contributing to the development of competencies in emergency medicine.

**Dr. Jeco Jacob
Kuttykandathil**
Senior Resident
Dept. Of General Medicine
KMC Mangalore

Dr. Jeco Jacob Kuttykandathil is a medical professional with an MBBS and MD in General Medicine, along with a Fellowship in the Academy of General Education (FAGE). He has 2.4 years of clinical experience, with active involvement in patient care and hospital-based services.

He is certified in Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS). He currently serves as a Hospital Coordinator at Wenlock District Hospital and is the Member Secretary of the Oversight Committee at the Centre for Integrated Healthcare Simulation and Skills (CIHSimS). His interests include clinical medicine, healthcare coordination, and simulation-based training.

Dr. Archu MJ
Assistant Professor
Dept. Of Emergency Medicine
KMC Mangalore

Dr. Archu MJ, MBBS, DNB (EM), FACEE is an Assistant Professor in the Department of Emergency Medicine at Kasturba Medical College, Mangalore, under Manipal Academy of Higher Education, with over four years of clinical and academic experience. A Fellow of the Academic College of Emergency Experts in India, she is also an American Heart Association-certified ACLS and BLS Instructor, and a trained provider in PALS, ATLS, and NRP. A distinguished achiever, Dr. Archu is a National Board of Examinations Gold Medalist (2021) and recipient of the INDUSEM Award 2024 – Saksham Chatra Paritoshik. She is actively involved in emergency care training and education, with a strong focus on life-saving skills, critical care preparedness, and evidence-based practice.

PRECONFERENCE WORKSHOP

DAY 1: 29TH MAY 2026

WORKSHOP DETAILS

TITLE: Emergency Preparedness and Response in Dental Clinics: A Practical Workshop

ABOUT THE WORKSHOP :

This hands-on workshop is designed to equip interns with the essential knowledge, practical skills, and confidence required to effectively manage medical emergencies in a dental clinic. The training will focus on real-world scenarios, emphasizing prompt recognition, structured response and management.

OBJECTIVES: By the end of workshop participants will be able to :

- Early recognition of medical emergencies in dental settings
- Initiation of immediate and appropriate interventions
- Safe and effective use of emergency equipment and drugs
- Enhancing patient safety through preparedness and rapid response

NO. OF PARTICIPANTS : 30 Participants

TARGET AUDIENCE : Dental Interns

REQUIREMENTS FOR THE WORKSHOP:

Comfortable clothing with hair tied up that allows for easy movement. Because active participation will involve kneeling, bending, and working on the floor, proper attire is essential for comfort and functionality.

VENUE: Virtual Simulation Lab, Department of Anatomy
KMC Mangalore Centre for Basic Sciences, Bejai
