# MUG 2020

## Manipal UroGynecology Course & Workshop-Second edition

**Innovations & Urogynecology – Looking at the Future**

### Course Description:

The Manipal Urogynecology Course (MUG) is for the Budding Gynaecologists (Post Graduate Students & Young Gynaecologists), to acquaint them with Basic Principles, Scope, Clinical Decision Making, Surgical Techniques and Controversies in Urogynecology. The armamentarium consists of various teaching-learning tools to make it a satiating and enriching experience. With the theme – 'Innovations & Urogynecology' this year, we plan to discuss the pressing problems in practice of Urogynecology and open a new door to
