

Manipal Institute of Technology

And

Institution of Engineers,
Biotechnology Chapter
(IEBT)

Presents

SYMBIOT 2019

**A National Symposium
in Biotechnology**

September 26th

Registration Fee:-

Students: ₹ 300
MAHE Students: ₹ 200

Faculty/industry
personnel: ₹ 500

(accommodation is subject to
availability on extra payment)

Guidelines for format of abstract

The abstract should be pasted in the
space provided in the registration
form. Abstract should essentially
contain the following:

- 1) *Title of the presentation*
- 2) *Full names of all the authors with their highest academic degree (The name of the presenting author should be underlined), and email address.*
- 3) *Designation and Affiliation of all the authors.*
- 4) *A brief write-up (not more than 250 words) of their presentation.*
- 5) *2-5 Keywords*

Last date for Abstract Submission - Sept 20th

Intimation of Abstract Selection - Sept 22nd

Last date for Registration - Sept 24th

Online Registration

Manipal Institute of Technology

Manipal Institute of Technology (MIT) was established in 1957 as one of the first self-financing engineering colleges and is recognized as one of the top private engineering institutions in India. In 2000, it became a constituent institute of the deemed university Manipal Academy of Higher Education (MAHE). MIT is offering the undergraduate and post graduate and Ph.D. programs in engineering with state-of-art class rooms and laboratory facilities. The academic programmes are approved by AICTE and accredited by NBA.

Department of Biotechnology

The Department of Biotechnology, MIT, Manipal was founded in the year 2005. The department has State-of-the-art infrastructure, well defined and updated curriculum, and wide range of electives to encourage interdisciplinary research. The faculty are highly qualified and experienced with research interests in diverse and emerging areas of biotechnology. The department has received up to 1 crore research grants from various funding agencies.

SYMBIOT IEBT

The Institution of Engineers, Biotechnology Chapter (IEBT) is a premier society of Indian engineers from MIT, Manipal, which organizes technical and non technical activities relating to different aspects of biotechnology. Symbiot is a national level symposium conducted annually by IEBT, manipal with the aim of providing participants an exposure to a real-life work environment. Every year more than 200 students from all over the country take part in this event.

Keynote Speakers

Prof. Dr. Dipankar Nandi
Professor,
Department of
Biochemistry,
Indian Institute of Science
(IISc)
Bengaluru, India.

Prof. Dr. Rajanikant
Professor & Head,
School of Biotechnology,
National Institute of
Technology Calicut,
Calicut, India.

Topics of interest include but are not limited to:

Microbiology, Animal and Plant
Biotechnology, Biochemistry,
Molecular Biology, Biomedical
Sciences, Bioinstrumentation,
Biophysics, genetic Engineering,
Computational Biology, Proteomics
and Genomics, Pharmaceutical
Sciences, Environmental Technology,
Bioreaction Engineering,
Fermentation Technology,
Agricultural Sciences, Bioinformatics,
Bioremediation, Bioethics &
Biosafety, Nanobiotechnology,
Biomodeling

Events and Eligibility

Guest Lectures
Paper Presentations
Poster Presentations
for:
B.Sc./B.E./B.Tech./M.Sc./M.Tech
Ph.D.
